

EDGE® TILT ATTACH

Fully utilize your compact loader on hilly terrain or any area you need to tilt an attachment with the EDGE tilt attach.

OPERATIONAL BASICS

The EDGE tilt attach tilts up to 18 degrees in either direction. Tilt buckets and landscaping attachments for more precise grading and leveling. Tilt trenchers for verticle cuts even on hills. This attachment comes complete with hoses and flat face couplers. An optional valve kit and control box is required for use with hydraulic powered attachments.
